Nicaragua Visit

Last week Willow and Maple enjoyed a visit from Fair trade farmers in Nicaragua! The visitors explained the importance of fair trade for families and farmers there and gave us a presentation of daily life on a coffee and cocoa bean farm. Willow and Maple asked some really interesting and thoughtful questions and the visitors commented on how polite and engaged they all were.

Avon Fire & Rescue Service

We were really lucky to have Avon Fire and Rescue visit Oak class today to tell us all about the important work they do.

What have Pine class been getting up to?

Pine class have been diving deep into Roman history, exploring life in Britain before and after the Roman invasion. From bustling streets to cultural shifts, they've been fully immersed. In English, we are mastering persuasive writing by crafting letters to convince Miss Barker to allow us to go on a school trip. Plus, they've created protest posters to showcase their creativity and passion. It's amazing to see their enthusiasm and growth. Feel free to reach out with any questions!

Oak Co-op Visit

Oak went to Co-op as part of their topic on healthy eating and learning about where food comes from. They did a quiz and then had a healthy snack. When they got back to school, we worked together to create our own Co-op in the classroom.
