

Dear Families

Welcome back to Term 5. We have had a busy start to the term with lots of different events already!

It was lovely to see so many families at our Eid celebration last week. Thank-you to everyone who helped make the event such a great success! I know the children really enjoyed it. We hope to organise more events like this in the future.

Last week, Pine and Willow Classes had a fantastic Roman Day – read on to find more about this exciting event! I have to say I absolutely loved the outfits – everyone looked amazing.

There are quite a few dates for your diary this year so please make a note of these.

### **Roman Day**

Pine & Willow had a great start to the term with their Roman Day! We launched our history topic - What did the Romans do for Great Britain? We looked at the life of a Roman Soldier, made shields and talked about how the Romans extended their empire. We also thought about daily life, including making some coarse ware pottery and some honey biscuits. We discussed how historians and archaeologists use evidence and artifacts to understand how life was lived before living memory.

## Eid Party

A big thank you to all parents who attended the Eid Party last Thursday.

## Easter Hat Winners

A big thank you to Keeley for organizing this. Well done to those children who won a prize.

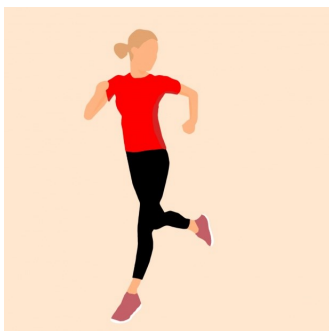

## Year 6 SATS Breakfast

This will be held in the hall every morning of SATS week at 8am.

## Entrance Lobby

Please remember to be respectful of all users of the entrance lobby for Kingfisher School, Venturers Academy & St Anne's Park Children's Centre. Please do not block the entrance or reception windows while waiting.

## Bristol Half Marathon

Hannah Hughes (from the office) is running the Bristol half marathon on Sunday 19<sup>th</sup> May. Having never run that far before it's quite a challenge! The money raised will be split between local Bristol charities supporting those in poverty, and International Justice Mission who work worldwide to end modern slavery. If you would like to find out more about this speak to Hannah in the office. And if you see her hobbling around the school it's because of all the training she's having to do!

## Absence

If you are taking your child out of school for a medical appointment, please make sure to provide evidence to the school office.

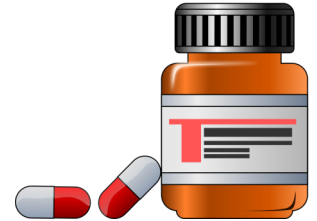

### Play Park

A reminder that the play park is not to be used before or after school.

## Medication

Please remember to bring any medication for your child to the office, as you will need to fill a form out for consent. It needs to be in its box with the prescription label.

## Attendance

We are now doing an attendance raffle at the end of each term. If your child has 100% attendance at the end of the week, a raffle ticket gets put into the draw at the end of term. The more weeks they have with 100% attendance the more tickets in the draw and the higher the chance of winning a prize.
